[A SafeWork NSW licence fee is additional and payable by each applicant at Australia Post Office]

Course Prerequisites

You must also hold a valid CPCCLDG3001A Licence to Perform Dogging [HRW licence class DG] *prior* to attaining your RB licence.

Participants must be over 18 years of age, be able to speak and understand English; understand technical concepts and mathematical equations; and provide 100 points of Identification as per SafeWork NSW requirements. If a participant fails to bring 100 points of identification a re-booking fee of \$100 will be charged for assessment to be re-scheduled.

Course Overview

This basic riggers course is a legal requirement for persons required to perform basic rigging work associated with movement of plant and equipment, steel erections, hoists (including mast climbing hoists), placement of precast concrete, safety nets and static lines, perimeter safety screens and shutters; and cantilever crane loading platforms for licensing purposes.

Basic Rigging has a pre-requisite requirement. This requirement may be met by either the successful completion of the unit CPCCLDG3001A Licence to perform dogging or holding a current valid HRW licence for dogging (class DG).

During this course, operators are trained and assessed against the National Standard for Licensing Persons Performing High Risk work including: being able to plan the work, select and inspect equipment, set up task, erect structures and plant, and dismantle structures and plant.

Both theory and practical training is provided over a 4 day period [depending on the current skills and knowledge of the operator(s)], with the SafeWork licence assessments conducted on the 5th day.

Course Content

- Compliance with WHS licensing legislation and Codes of Practice
- Communicate and work safely with others in the work area
- Risk assessment and management procedures for different tasks associated with the work
- Selection and inspection of equipment and materials
- Erection and dismantling of structures and plant at basic level
- Operation of Scissor Lifts

Course Outcomes

On successful completion of training and assessment, participants will receive a Statement of Attainment – CPCCLRG3001A Licence to Perform Rigging Basic Level and be eligible to apply for a National Licence to Perform High Risk Work (Class RB).

This unit completes the prerequisite for progressing to CPCCLRG3001A Licence to perform rigging - intermediate level.

HRW Licences are valid for 5 years from the date of issue. To apply for your HRW licence, you must lodge your HRW assessment paperwork and application form at an
