Course Delivery

FACE TO FACE - at our site in Wetherill Park (see our course calendar for scheduled over 11m boom ticket training dates)

FACE TO FACE - at your site (providing you have adequate training areas, boom lift over 11m EWP and min 6 participants)

Course Duration

3 days [2 days training plus 1 day assessing]

ARE YOU LOOKING FOR 1-DAY SCISSOR/BOOM LIFT YELLOW CARD COURSE? If yes, please click [HERE](#).

Course Cost

\$695 per person | WP (over 11m boom lift course only)

\$895 per person | WP/SL (boom lift over 11m and scissor lift yellow card training – save \$95) as at 1/4/18

(A SafeWork NSW HRW licence fee is additional and payable by each applicant at Australia Post Office)

Course Prerequisites

Participants must be over 18 years of age, be able to speak and understand English; understand technical concepts; and provide suitable identification. If a participant fails to bring 100 points of identification a re-booking fee of \$100 will be charged for assessment to be re-scheduled.

Course Overview

This EWP course is a legal requirement for anyone who operates a boom type Elevating Work Platform 11 metres and over. If you do not have a High Risk Work Licence class WP, you must enrol in a formal training course, delivered by a Registered Training Organisation, such as Cobra1 to undertake training and assessing in line with State Regulatory requirements. When you have achieved sufficient skills and competencies, you will be eligible to apply for a licence assessment by a SafeWork NSW accredited assessor. Weekly boom lift training courses are held at our Wetherill Park training facility and a Scissor Lift Yellow Card ticket can be done in conjunction with this course at a discounted cost.

Theory and practical competency progress assessments are conducted during the course and a HRW licence assessment is conducted on the final day, if you have reached the required skill level.

Course Content

- Compliance with WHS Licensing legislation
- Types/Uses of EWPs
- Job Safety Analysis and Risk Assessment
- Inspection and Pre-Operational Checks
- Safety/Warning Decal Interpretation
- Safety Harnesses
- Set Up and Operate EWP
- Emergency Procedures
- Shut Down EWP

Course Outcomes

On successful completion of the EWP training and assessment program, participants will receive a Statement of Attainment – TLILIC2005 Licence to Operate a Boom Type Elevating Work Platform (boom length 11 metres or more) and be eligible to apply for a National Licence to Perform High Risk Work (Class WP).

2018 COURSE INFORMATION FOR EWP BOOMLIFT OVER 11M

HRW Licences are valid for 5 years from the date of issue. To apply for your HRW licence, you must lodge your HRW assessment paperwork and application form at an Australia Post outlet together with a passport sized photo and pay the prescribed processing fee within 60 days of completion of your final HRW assessment. Failure to lodge your paperwork on time will result in you being an unlicensed operator and further training and/or assessing fees will apply after the 60-day period.
