Course Prerequisites

This course is only conducted in English, no interpreters or translators are permitted.

Participants must be over 18 years of age, be able to speak and understand English and provide suitable identification such as a driver's licence.

Course Overview

In accordance with the WHS Act and Regulations 2011 under Primary Duty of Care, a PCBU must provide information, training, instruction or supervision that is necessary to protect all persons from risks to their health and safety arising from work carried out as part of the conduct of the business or undertaking. Depending on which type of ewp equipment you receive training on, a Yellow Card can provide 'evidence of training' for the following equipment: Boom Lift (under 11m), Scissor Lift, Vertical Lift, Trailer Lift or Truck Mount. This accredited course structure is both specific to your particular model of equipment and to Elevating Work Platforms in general.

Cobra Training Services delivers regular public training courses for boom lift (under 11m) and scissor lifts at our site in Wetherill Park on a regular basis.

We can also provide this service at your site for groups of 6-8 people if you have your own appropriate EWP equipment and resources. We do not charge any call out fees.

Course Content

This yellow card training course covers the operation of elevating work platforms in the resources and infrastructure industries. It includes planning and preparing for operations, working from the platform, carrying out maintenance and cleaning up. Topics covered include:

- knowledge of the requirements, procedures and instructions for operating elevating work platforms
- implementation of requirements, procedures and techniques for the safe, effective and efficient completion of operating elevating work platforms
- working with others to undertake and complete the operation of elevating work platforms that meet all of the required outcomes
- consistent timely completion of operating elevating work platforms that safely, effectively and efficiently meet the required outcomes
- Verbal/Written and Practical Assessment

Course Outcomes

All participants meeting the assessment criteria will be issued a **Statement of Attainment** for **RIIHAN301D Operate Elevating Work Platform**, together with an

2019 COURSE INFORMATION FOR YELLOW CARD (BOOM LIFT UNDER 11M/SCISSOR LIFT)

Elevating Work Platform Association 'Trained Operator' Yellow Card, specific to the type of EWP you have been trained in the use of; i.e. Boom Lift under 11m (BL), Scissor Lift (SL), Vertical Lift (VL), Trailer Lift (TL) or Truck Mount (TM).

Please note: This course does not cover BOOM TYPE LIFTS OVER 11m Platform Height. These types of EWPs require a National High Risk Work [HRW] Licence, issued by the WHS Regulator in each state (e.g. SafeWork NSW). We also provide training and assessments for this boom lift over 11m HRW licence requirement in our over 11m boom lift EWP course. **Please ask us for more details.**

OTHER IMPORTANT INFORMATION:

This course is only conducted in English, no interpreters or translators are permitted.
